

Dear Supporters,

We would like to take the opportunity to thank you for your contributions in funding the Julian Joshua Brett Benson Foundation.

We can not begin to narrow down the most memorable means of support our family received, because we have continually been blessed with the out pouring of love and support throughout the past several months.

Because of your support and contributions it allows us to continue the vision to provide students encouragement and motivation to follow their dreams so that one day those dreams may become reality

Sincerely,

The Benson Family
